

Quality Policy Statement

DOC003 – Issue 014-January 2024

Company Vision – “Our vision is to be the UK’s first choice provider of automatic door systems by offering the highest quality products, the right solution and unrivalled customer service”

This Quality Policy is aligned to the purpose and context of the business and supports our strategic direction. The Quality Policy provides a framework for setting our quality objectives.

GDUK Door Solutions Limited is committed to providing customers with excellent products and services, which comply in all respects with specifications, orders and regulatory requirements and fulfilling needs and expectations, ensuring customer satisfaction.

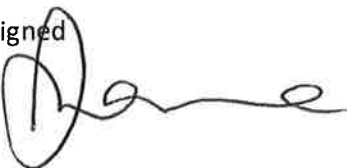

Our Quality Policy is to pursue improvements to products, service, methods and processes and to be cost effective. We will do this by setting, reviewing and communicating Quality Objectives to develop the business and respond to changing market expectations and requirements.

We are committed to comply with the requirements of ISO 9001:2015 (and any other applicable requirements) and pursue continual improvement of the effectiveness of the Quality Management System using a risk-based approach.

We will ensure that all our personnel and relevant interested parties are aware and understand our Quality Policy and of their individual roles and responsibilities within the Quality Management System.

Our Company Purpose, Vision and Values along with all our policies are shared with our people

This policy will be regularly reviewed by the senior management team for continued suitability.

Signed

Stuart Lawrie Executive Chairman
